

DOREEN WINS IN FEBRUARY

It's a given Doreen Lewallen will win Captain's Trophy at some point each year. This year the award came earlier than she expected. One of the best golfers in our ladies group, she's always in contention for low gross honors. On this beautiful February day her low net score of 74 bested Mary Bulman and Elaine Martin's 76 net scores. Mary won low net in the first flight and Elaine won in the second flight.

Judy Dwelle was low gross winner in the first flight with a 97. Janet Barnes with a 109 was low net winner in the second flight with Nancy Mitchell a close second carding a 111.

Mary Bulman, Doreen Lewallen and Judy Dwelle were double winners this Thursday also cashing in on closest to the pin. Mary was 5'6" from the pin, Doreen 8'5" and Judy Dwelle 10'1".

Enjoy this unusually mild weather while it lasts and the roll on the fairways. Looks like some much needed changes in the forecast.
