

Debe Dominates

Debe Wilson put together a nice round on Thursday to secure Captain's Trophy for May. Debe carded an 89 for a 67 net score. Judy Wood finished five strokes back with a 94 gross score, 73 net winning first low net in the first flight by one shot over Cinnamon Danielson. Finishing third was Peggy Hubert with a 76. Doreen Lewallen won low gross in the first flight.

Second flight low gross winner was Diana Garbin with a 101. Low net winner went to Diane Timko with a 73. Marti Jones edged out Kristi Cochran for second in a back nine card off.

Debe Wilson's 9'1/2" edged out Robin Van Metre for closest to the pin.

Ben Crenshaw said, "I'm about five inches from being an outstanding golfer. That's the distance my left ear is from my right." We're all tough on ourselves, even Gentle Ben, who won 30 worldwide events including the Masters twice.

No matter if we're having a good or bad day on the course remember how fortunate we are. Thanks to Bob and his crew for working hard to get our course into great shape. Enjoy this delightful spring weather before the heat comes.
