

Holiday Happenings

The ASWGC Awards Luncheon provides an opportunity to gather and socialize with members past and present. This year's luncheon was no exception. With Peggy Hubert and Barb Pearce chairing the committee, we all knew we were in for a treat. From the elegant table decorations, bottles of bubbly as a surprise gift for all, a delicious lunch, followed by peppermint cheesecake and a champagne toast to the outgoing board, the day lived up to our expectations. Thanks to Barb, Peggy, our kitchen and bar staff plus Jackie Fair for making our year end celebration so festive.

Annual awards were handed out. Among the winners Cinnamon Danielson was awarded the Club Championship trophy. For the second straight year Doreen Lewallen received the Player of the Year award. Also winning for the second consecutive year, Judy Dwelle was the recipient of the Most Improved Player honors. Congratulations to all our winners!

Captain Jodi Gillespie handed over the ceremonial gavel to Janet Barnes, our 2023 Captain.

Wishing all a peaceful, happy and healthy new year.
