

Impressive Win Under Tough Conditions

The thirteen women who signed up for Captain's Trophy on the first of May weren't quite sure what to expect. The previous week, the course had been closed for maintenance. The greens had been punched and sanded. What condition would the greens be in a week later? The answer was somewhat clear when you looked at the scoring. Across the board the scores were unusually high. Putting on sandy greens isn't easy. Lots of putts were left short and many bounced off line. That being said, Judy Wood didn't seem bothered by the conditions and her 97 gross, 75 net score easily won Captain's Trophy for May.

Behind Judy in the first flight was Cinnamon Danielson, winning low gross with a 99. Debe Wilson won first low net and Ruth Squibb took second low net.

Second flight winners were Peggy Hubert low gross, Barb Pearce first low net and Tish Buti second low net.

Closest to the pin winners were Debe Wilson 13'8" and Ruth Squibb 14'3".
