

PEGGY PREVAILS

It was a close competition for this month's Captain's Trophy but Peggy Hubert's net score of 74 was good enough to squeak by Debe Wilson and Barb Pearce, who both had 75 net scores. I reached out to Peggy's playing partners Barb Pearce and Diane Timko and both acknowledged that Peggy was steady throughout the round. No big mistakes. Diane elaborated that Peggy's putting was very accurate all day. For anyone who has ever played with Peggy you know she doesn't waste any time. When it's her turn to play on approach shots or putting, she addresses the ball and goes for it. Our greens are in great shape now and Peggy made the most of those conditions.

Other second flight winners were Andi Davis winning low gross. Marti Jones and Nancy Mitchell were first and second low net winners respectively.

Shifting to the first flight low gross went to Doreen Lewallen with a 96. Debe Wilson and Barb Pearce were first and second low net winners with Debe taking first in a back nine card off.

Judy Wood's 11'9" bested Barb Pearce's 12'10" for closest to the pin.

As we approach team play and the 54-hole tournament here's some advice from Nancy Lopez. "Do your best, one shot at a time and then move on. Remember that golf is just a game."

Note: Apparently I remembered to write this article for May but neglected to submit it. Apologies to Peggy and thanks for checking the website and bringing this to my attention.
