

## Ruth Wins Two

Our March Captain's Trophy went to Ruth Squibb who played her normal steady game, shooting a smooth 91 gross for a 72 net capturing the win. Not only did Ruth secure the Captain's Trophy but also her 1'6" shot on hole 15 was closest to the pin. She made the birdie putt and that's now the number to beat for the remainder of the season.

Low gross in the first flight went to Judy Dwelle who also shot a 91. Low net went to Judy Wood with a 79 and Doreen Lewallen's 80 was second.

Tish Buti's 100 was low gross in the second flight. First low net went to Andi Davis with Robin Van Metre a distant second.

Three places were paid in closest to the pin. Coming in second to Ruth was Janet Barnes nestling her shot 3'2" from the hole and Doreen's 8'4" was another nice shot close enough for third.

The weather looks to be great during the month of March and although we need more rain let's enjoy the golf course during this beautiful weather.
