

WHEN YOU'RE HOT YOU'RE HOT

For those of you who keep up with Alta Sierra women's golf you know June's 54-Hole tournament was won by Diana Garbin and Diane Timko in a come-from-behind victory. Well, the two were at it again with both women carding 67 net scores in July's Captain's Trophy play. The winner was determined in a back nine card off with Diana Garbin's 45 besting Diane Timko's 47 to win the month's prize. Their low net scores tie for the low net of the year. Is there a 66 out there this year? That's still to be determined.

Doreen Lewallen was low gross winner with an 87 in the first flight. Other first flight winners included Jean Metz, whose game is getting back in shape after a long medical rehab. Jean's 69 won low net. Judy Wood was a close second with a 70 net.

In the second flight Diane Timko's 67 held up for first low net. Robin Van Metre was second and Janet Barnes third with net scores of 71 and 72 respectively. Andi Davis's 98 won low gross in the second flight.

Andi Davis was a double winner being closest to the pin with 12'7". Ruth Squibb was a close second with 13'3".
