

Wilson Wins

Not only was fall in the air but so was some good golf. Let me start with our September Captain's Trophy winner, Debe Wilson. Debe hasn't played much golf lately. Travel, a slight "obsession" with pickle ball and a busy volunteer schedule has limited her golf play days. This past Thursday however, she was focused on golf. Mary Bulman, one of her playing partners, said Debe stayed steady the entire round carding an 89 for a net 67. Way to go Debe! Mary also played well winning first low net with a 73.

Then there was Chellie Peterson, the third member of the group. Chellie didn't get off to the greatest start. Thinking of quitting after an 11 on hole one and a 9 on hole two, Debe and Mary encouraged her to keep playing. Chellie did continue and on the sixth hole, a par five, hit a perfect fairway wood from approximately 120 yards out for her third shot. The ball found the bottom of the cup for an EAGLE, her first ever! She rallied from a rocky start to finish third in the first flight with a 77 net. You all can figure out the moral of this story. Cinnamon Danielson was second low net winner with a 75. Doreen Lewallen was also hot on Thursday winning low gross with a sizzling 79.

In the second flight Andi Davis won low gross in a card off with Robin Van Metre. First low net went to Nancy Mitchell with a 69. Nancy made some clutch putts on the back nine. One of those came on the 15th hole. Winning closest to the pin, Nancy made the 4'2" putt for birdie. Robin Van Metre and Elaine Martin were second and third low net winners respectively. Mary Bulman's good round also included second closest to the pin honors with 7'8". Congratulations to all.

The weather was perfect and the greens had recovered from the recent plugging and sanding. As the trees begin to turn now's the time to take in the glory of Mother Nature. Until next month enjoy.
