

WILSON WINS

Debe Wilson won Captain's Trophy for June. On this particular Thursday she won handily. Debe's 91 gross/68 net score bested Judy Dwelle's 76 net. Last year Debe was playing quite a bit of pickle ball, a sport she discovered and fell in love with. Proficient in golf, Debe loved the new challenge of pickle ball and juggled the two sports. Towards the end of last year it became apparent she was dealing with a carpal tunnel diagnosis. The numbness in her hand posed problems participating in both sports. Surgery was needed and Debe took a break while she healed. Now she is back and enjoying both sports as demonstrated by her steady performance on Thursday.

As mentioned above Judy Dwelle took first low net in the first flight and Doreen Lewallen was low gross with a 94.

In the second flight low gross went to Peggy Hubert carding a 101. Janet Barnes won low net with a 74 edging out Tish Buti by one shot.

Judy Dwelle's 10' won closest to the pin. Debe Wilson was second with 18'5".

The weather is heating up and so is the golf. The 54-hole tournament has started and will conclude on the 18th of June. Good luck to all the teams. Stay cool and hydrate.
