

Dynamic Duo

The 54-Hole Partner's Tournament was scheduled for May 8th, 12th, and 19th. This event consists of 3 rounds of golf: better ball of the partners, alternate shot and aggregate net score. This year's tournament, like many of our play days this year, was affected by the weather. The Monday play day of alternate shot format was cancelled due to rain. Rescheduling in a timely fashion was difficult so it was agreed among the players that the tournament be shortened to 36 holes with the last round being 9 holes of alternate shot and 9 holes of aggregate net score.

The field was small this year. Eight ladies partnered up creating four teams in this competition. Not surprising the dynamic duo of Doreen Lewallen and Judy Dwelle were the "36" hole champions with a final team score of 186. Second place with a 195 score went to team Janet Barnes and Nancy Mitchell. Last year's champions, Diana Garbin and Diane Timko were third. Struggling a bit on the last day, Peggy Hubert and Barb Pearce came in 4th place. All the ladies were in good spirits following play and enjoyed the friendly competition.

Closest to the pin winners were Judy Dwelle, Diana Garbin and Janet Barnes.

ASWGC is looking for women members to join our group. If you are a member of Alta Sierra Country Club and are interested in joining ASWGC or want information on memberships reach out to Doreen Lewallen or Jean Metz.
